Mental Health Day

Mental Health Day was on 27th September. It was all about fun and relieving stress. There were 'Booth Games' and other interesting games to play. We did a 'Stress-relieving Exercise' that helped us to relax and to forget all our problems. We had a 'Laughter Yoga' class! 😊 We also had 'The Human Library' which was about telling our own stories. Finally, our favourite event was-eating ice cream! Yummy!

Fancy Dress Day

The theme for our Fancy Dress Day on 31st October was 'Harry Potter'. We brought our 'Train Tickets' to school. A lot of students and teachers dressed like Harry Potter! In the hall, we attended the Sorting Hat Ceremony, learnt magic spells like 'Stupefy' and 'Lumos' and had a small banquet. In the playground, we did an exciting treasure hunt activity. Fancy Dress Day was great fun and I hope there will be another party next year.

School Picnic

The school picnic was on 10th October. On that sunny and pleasant day, P1-2 students went to Tai Tong ECO Park, P3-4 students went to Hong Kong Baptist Assembly and P5-6 students went to Tin Shui Wai Greenfield. It was super fun for everyone!

Guest Interview

We interviewed our school supervisor Mr. Yau Ying Sum.

= Mr. Yau

= English Ambassadors

Good afternoon, Mr. Yau. How long have you been our school supervisor?

I have served our school for nine years.

Why did you join our school?

I believe it is very important to serve our community and that a good education is very important for children and their future. I encourage everyone not only to study hard, but also to develop your character through other activities like sports, music and drama.

What do you like doing in your spare time?

I spend my free time on sports and music. I believe that playing music and joining a choir are good ways to develop ourselves. We can improve our English through listening to English songs.

Where do you like going on holidays? Why?

I travel regularly to Canada and New York to visit my family and friends.

What seasons do you like? Why?

I appreciate all four seasons but I like to avoid the extremely hot and humid summers in Hong Kong.

Do you have any children?

I have two daughters and four grandchildren. Two grandsons live in New York. There is one granddaughter in Primary 6 in Hong Kong and my eldest grandson is in Form Six.

Thank you very much, Mr. Yau, for your time and giving us such great advice!

Fun Facts About Turtles

Did you know that ...

- 🐢 ... turtles can sleep underwater?
- 🐢 ... turtles were on the earth 200,000,000 years ago?
- 🐢 ... turtles don't have teeth?
- 🐢 ... sea turtles cannot put their legs and head back into their shells?
- 🐢 ... the oldest turtle lived to be 188 years old?
- 🐢 ... the leatherback turtle can grow to 180 cm long and weigh 500 kg?

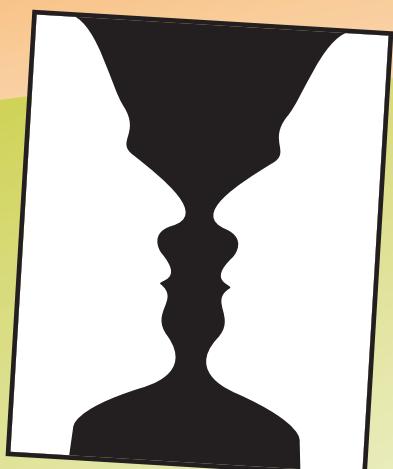

Optical Illusions

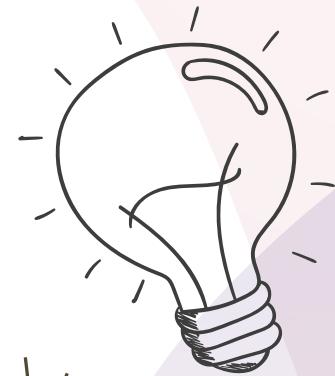

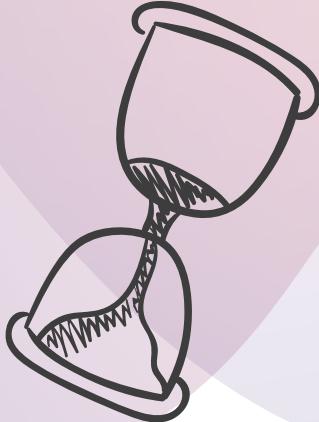

What is an Optical Illusion?

An optical illusion happens when our brains and eyes try to communicate with each other. Sometimes they get a bit mixed up. Our eyes tell us something is moving but our brains know it's not moving. 'It's impossible!' said the brain. 'It's possible,' said the eyes.

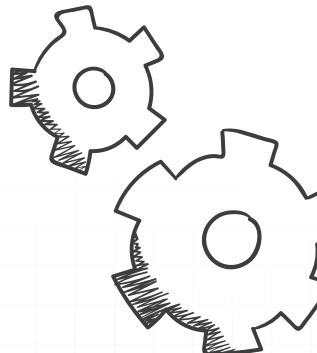

Can you see a **VASE**?

Can you also see **TWO faces**?
